
Leadership Mtg Agenda

Hi,

Does anyone have a file of successful agendas you use in your ward? Our PEC, welfare, and ward council meetings tend to run exactly the same, essentially a round robin of auxiliary reports. I have read the handbook regarding the meetings and would like to design agendas which help us to better meet the specific goals and outlines for each meeting. Does anyone have one that comes close to accomplishing that goal or that works well for your ward meetings that I could work from?

please help

I did not find the right solution from the internet.
